Media Enquiry

11 March 2025

The West Australian

Reaching out today with a media enquiry about new citizens in your local government.

Could you please direct this enquiry to your media, communications or marketing team. Or anyone else who is best placed to answer these questions.

I'm following up the news that Home Affairs hosted additional Australian citizenship ceremonies around the country at the start of the year, particularly between February 13 and March 4 to supplement the effort of local councils in hosting ceremonies.

I note that your council is one of the LGAs which benefited from this push to clear the backlog of people waiting for their ceremony.

Could you please let me how many of your new citizen residents were able to attend a ceremony during that period? If any council representatives attended? And where they were held and when?

Ideally, it would be great if you could respond to this media enquiry with the relevant figures by COB today.

If not, please let me know the estimated time your team would need to respond.
