**Please attribute the following response to Greater Dandenong City Council
Chief Executive Officer, Jacqui Weatherill:**

We developed a [comprehensive list of advocacy priorities](#) to benefit the Greater Dandenong community and have met with a range of candidates to promote these. These informal conversations left us feeling optimistic that a number of our priorities are being considered for funding. We're looking forward to letting the community know once we have more information.

From Dandenong Journal

Getting in touch to see if the Council has had any indication of support from any of the federal election candidates on council's priorities?

Particularly on Dandenong Station upgrade, select entry school in central Dandenong and development of Greater Dandenong employment hub?

So far, there have been no announcements made for any of these. Is the council confident that they will get the funding for the above?
