Media Enquiry

30 April 2025

From Dandenong Journal

Was wondering if I could get an update on any council prosecutions or orders against ESI Projects (or any other party) over the lingering pile of soil at 576 Frankston-Dandenong Road Bangholme.

What charges have been laid by Greater Dandenong against ESI Projects or anyone else over this matter?

What council orders have been made in relation to any non-conforming soil works on the site?

Is the council confident that ESI Projects will remove the identified contaminated soil?

Are there any circumstances in which the council will have to pick up the clean-up bill?

(deadline 12pm Friday)
