

## Media Response

23 May 2025

### **Background only**

As discussed just now, we're working on a long term project to design (and hopefully build!) a Dandenong Community Hub – but that will have early childhood, seniors, community rooms to book etc type activities. It does not yet exist.

The Dandenong Hub shopping centre isn't owned by Council, so we have no plans in relation to that.

Good luck with the story.

## Media Enquiry

23 May 2025

### **From Herald Sun**

Good morning team,

I'm a reporter from the Herald Sun and I'm writing a story about Dandenong Hub and the surrounding area as part of a state-wide special looking at smaller local malls.

I've seen you guys are planning an upgrade for the site and would love a comment from the council specifically on the progress of the plans.

I'm working with a pretty tight deadline so would ideally love to hear back by 3pm if possible!

Any issues please give me a call.
