

Media Response

Wednesday 29 May 2025

Response, attributable to Executive Director, City Futures, Sanjay Manivasagasivam:

There is no requirement for a separation or buffer distance from the broiler farm to the new proposed outbuilding.

Media Enquiry

27 May 2025

From Dandenong Journal

I'd like to know if there's any buffer zone requirement between the shed on the 445 Thompsons Rd application (on council meeting agenda last night) and the poultry farm on the north of the land?

Can Council provide a contact number for one of the objectors Noel Williams?
