From ABC Geelong

Could you please provide me with responses to the following questions by next Thursday (29.05.25) at 10am please?

- 1 - How many potholes have been filled in, in your LGA each year, in each of the past 10 years?*
- 2 - How many potholes have been reported to council in that timeframe?*
- 3 - How much has it cost to fix them?*
- 4 - What compensation (if any) has been provided to motorists for damage to vehicles from potholes in your LGA?*

Your help with these questions would be greatly appreciated.
