

Media Response

6 June 2025

(Sent by Alecia with Carolyn's approval)

We expect construction of the footpath to commence in September 2025.

I have followed up on when it is expected to be completed and will come back to you as soon as I have the information.

Media Enquiry

Tuesday 3 June 2025

From the Dandenong Journal

With the Fowler Rd bridge to open to traffic soon and signalisation work to commence in July, I'd like to know when will council start working on the footpath along the Fowler Rd bridge?

When is the estimated time for this to commence and finalise?
