

Media Response

4 September 2025

Please attribute the following response to Greater Dandenong City Council Mayor, Cr Jim Memeti:

Along with other Greater Dandenong councillors, I undertake limited interstate travel on behalf of Council and only as required. I travel when there's a direct and obvious benefit to the Greater Dandenong community.

I was unavailable to attend a conference about antisemitism in Queensland and thus did not need to consider who might be funding it.
