

12 September 2025

### **FAMILY FUN IN NOBLE PARK**

Families are invited to join the fun at the Noble Park Family Fun Day, on Sunday, 21 September.

The event, which features cultural performances and a variety of international food trucks, is designed to provide entertainment and activities to engage children, young people and residents of Greater Dandenong and draw visitors to the area.

This year's theme, "Around the World," was selected in consultation with the Greater Dandenong Children Advisory Group. It aims to celebrate the rich cultural diversity of our community. The event encouraged children, young people and families to explore activities inspired by global adventures, science, nature and sustainability.

Highlights of the day include:

- Drawing Competition Area
- Reptile Wildlife Display – Get up close with friendly animals and fascinating reptiles.
- Amusement Rides – turbo tubs, trackless train, bungee tramp, fairies wheel
- Make Your Move Zone – Try out sports with local clubs

The stage program will feature a vibrant mix of professional and community performers, and roving entertainment from stilt walkers. Amplify Youth Committee is also activating the stage with local youth performers. Enjoy delicious international cuisine and desserts from food trucks and explore market stalls and interactive community activities.

Event: Noble Park Family Fun Day

Date: Sunday, 21 September 2025

Time: 11am–4pm
