

Media Response

24 October 2025

Please attribute the following response to Greater Dandenong City Council Executive Director City Futures, Sanjay Manivasagasivam:

We have issued (clean up) compliance notices to the owner of properties at 2 and 4 Woodlee Street Dandenong.

Once the compliance period has lapsed, we will consider infringements and undertaking a clean-up of the external rubbish on the properties.

Representatives of the property owner have indicated that they intend to demolish these houses and the vacant dwelling at 1480 Heatherton Road, Dandenong and are completing legal approvals to do so.

In the meantime, concerns regarding safety or squatters at the property should be referred to Victoria Police.

From Dandenong Journal

Hi media team,

We have received an email regarding two properties, 2 and 4 Woodlee St Dandenong currently occupied by the homeless.

Both properties were last sold in April 2024.

Residents have concerns about the activities inside and around the properties, fearing for their life and the possible exposure of drugs to the neighbourhood as a result.

Has the council reached out to the owners of the properties on this matter?

Will the council order for a clean up of the properties?

What actions has the council taken so far to address this matter?

Any other information on the properties background would be appreciated.
