

# Media Response

31 October 2025

**Please attribute the following response to Greater Dandenong City Council Executive Director City Futures, Sanjay Manivasagasivam:**

We have issued a clean-up notice to the property owners of 241-253 Springvale Road, Springvale due to dumped rubbish at this location. We understand the frustrations of owners and tenants who are doing the right thing and did not dump the rubbish they are being asked to remove.

We will ensure the property owners have sufficient time to remove the illegally dumped rubbish and provide them advice on managing this problem through the correct channels. Unfortunately, we are unable to remove dumped rubbish from private properties, even in these cases and when the private property is close to Council-owned land. Removing dumped rubbish from private properties is outside our role and doing so would set a precedent we do not have the resources to support ongoing.

ENDS
